# Earn CDE Credits

## At-home exam program. At your own pace.

You can earn 12 CDE credits conveniently and affordably at home through DANB's Professional Development Exam Program (PDEP).

After you purchase the PDEP program, a packet is mailed to you containing five articles from dental journals. When you are done reading the materials, fill out the answer sheet and mail it back to DANB before the deadline. You have six months to complete the exam.

Select from the following topics:

- Radiation Health and Safety
- Orthodontic Assisting

Because you must mail your answers back to DANB and wait for your results, this is a good option if you have plenty of time to earn CDE credits.

**Fill out the form to order your PDEP packet.**

*To learn about ways to earn CDE through interactive, e-learning courses, visit DANB's official affiliate, the DALE Foundation, at [www.dalefoundation.org](http://www.dalefoundation.org).*

You must be a current DANB Certificant to be eligible to order PDEP.

Once you receive your PDEP package, you will have six months to complete the exam and return the original answer sheet to DANB. (The six month due date will be stamped on your answer sheet.) The answer sheet must be postmarked by the due date.

Passing each PDEP exam earns current DANB Certificants 12 CDE credits under Category 3 (DANB Exams) of the DANB Recertification Requirements. PDEP credits only apply after you receive your PDEP score report from DANB.

If you have already taken both available PDEP modules, please see The DALE Foundation's e-learning courses for additional CDE opportunities. Call 1-877-510-3253 with any questions.
